Wacky Tom Czarnecki takes pride in **“Reversing the Juice”** when betting baseball. Using high Favorites “to lay amt” at the most \$125. The chart above shows the norm, those that bet **to win \$100 on favorites**. A -156 favorite would cost \$156 to win \$100. For the 2nd Straight Year this Has shown more profit than the Norm Betting of those betting MLB.

Wacky Sports Investing Services Overall Record MLB 2016: **148-102-3 59.20%**

Normal Betting to Win \$100 on Favorites Profited: **\$3,176.84**

Wacky’s Strategy Profited \$3,753.04

- +\$576** more profit, **5+** more wins, **-108 avg Juice**, Win% increases **3%+** at over **61.5%**
